We know how important it is to get your guests filled and satisfied after a full day's conference and furthermore to let their hair down in the summer sun and enjoy a well-deserved staff summer party, partying away to a live band and great DJ vibes. We work with you to create a show stopping menu, for you and your guests. Our varied suppliers can cater to your menu desires – from Korean street food styles, Tasty canapes and bowl foods, to mouth-watering Caribbean BBQ selections.

Have the team enjoy cocktail lessons, or sit back and indulge in ice cream and sorbet choices, wheeled in just for you. British Summer time can be pretty unpredictable and can be the most unreliable of seasons, but here at EGG LDN, with our easily accessible in door terrace spots, and state of the art sound, lighting and piped in summer smells, your event is guaranteed to be a success, no matter the weather.

"One of the most quirky and flexible venues in central London. Every room offers a unique experience" - *Wesley Mendy, Founder, Prestige Events Magazine, and COOL Venue Awards*

"The organisation by yourself (Egg Events) in advance of the event made organising our Christmas Party easy and stress free and your management during the night was superb which meant everyone could enjoy the night. You were always willing to help out with extra bits which gave the night uniqueness. The attendees thought the venue was great, especially after the recent refurbishment. The hog roast also went down well. I got a lot of feedback from people that attended that it was one of the best Christmas Parties we have had."

Gareth Hanson, Tesco, UK

"I would recommend Egg as a diverse venue in a central London location with an experienced events team who are friendly and accommodating. The team were in constant contact and responded to requests during both the preparation and the event itself. Thank you to all of the team for your commitment to make our event a success."

Laura Adeshiyan, French Connection

"We recently had our agency summer party at Egg, and it went off brilliantly. All of the staff at Egg were nothing but professional throughout the experience, and the management team couldn't have been more helpful. We've been burned previously working with large famous nightclubs in London like Egg, but these guys went above and beyond the call of duty not only in the set-up of the event but also in the inevitable last-minute requests we chucked their way. Everyone had a fantastic night and, despite quite a few sore heads the next day, we couldn't have asked for a better night. Thank you very much!"
